Ron Jenkins  
Superintendent, MSAD

## Mr. Jenkins

I hope that your years at Telstar Regional High School have been enjoyable and productive.

Each year when it comes time to write a brief note to the graduating class I am at a loss for what to say. I usually end up thinking back to another graduation class . . . the Class of 1962 at another Maine high school . . . my class. That class was about the same size as yours and is now scattered all over the United States and has seen the World. Its members went to college; joined the armed services; went to work in the paper mill; became teachers, lawyers, doctors, and nurses. Most got married. One has spent time in jail. Three have died, one of diabetes, one at the hands of a drunk driver, and one while serving his country in Viet Nam.

There is nothing to distinguish that class from any other except for the hopes and dreams that each member held. Most have achieved success. All have seen some failures. I know that many in that class have made a difference in the lives of others.

As you enter the next challenge in your lives, pledge to make a difference. Make choices that make you happy. Continue to learn. And most importantly, care about others.

I wish you the best of luck as you go forth to make a difference.

## Mr. Davis

TO THE CLASS OF 1996:

THE LAST FOUR YEARS HAVE PROVIDED YOU WITH MANY OPPORTUNITIES TO PLAN AND PREPARE FOR YOUR FUTURE. YOU HAVE DREAMED OF WHAT YOU WANT TO DO, NOW YOU ARE GRADUATING AND YOU WILL NEED TO CARRY OUT YOUR PLANS TO MAKE YOUR DREAMS COME TRUE.

AN INSCRIPTION IN HOPKINS MEMORIAL STEPS AT WILLIAMS COLLEGE, WILLIAMSTOWN, MASSACHUSETTS (AUTHOR UNKNOWN) READS AS FOLLOWS:

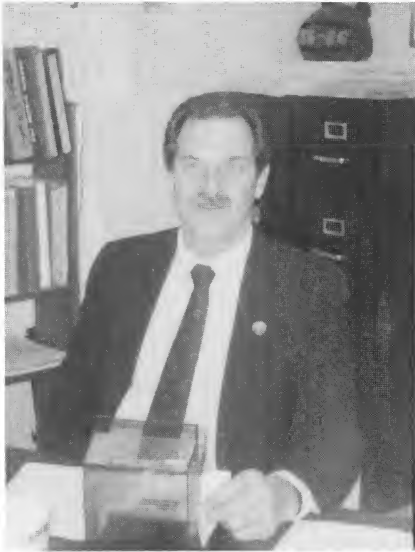

CLIMB HIGH  
CLIMB FAR  
YOUR GOAL THE SKY  
YOUR AIM THE STARS,

I BELIEVE THAT EACH AND EVERY ONE OF YOU CAN REACH THAT DREAM AS LONG AS YOU ARE WILLING TO MAKE THE SACRIFICES NECESSARY TO MEET THAT GOAL. FOR THOSE OF YOU WHO HAVE NOT YET FOUND THAT DREAM, IT IS NOT TOO LATE, MAKE A COMMIT-

MENT AND FOLLOW YOUR DREAM. REMEMBER . . . ALL THINGS ARE POSSIBLE.

MY BEST WISHES TO YOU.

YEARBOOK MESSAGE by C. Higgins

Congratulations to the Class of 1996. In many ways you have been a unique class and we'll miss you. I found this poem which I'd like to share with you. The author is unknown

## Don't Quit

When things go wrong, as they sometimes will,  
when the road you're trudging seems all uphill,  
when the funds are low, and the debts are high,  
and you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
rest if you must, but don't you quit.

Life is strange with its twists and turns,  
as everyone of us sometimes learns,  
and many a failure turns about,

when he might have won if he stuck it out;  
don't give up though the pace seems slow,  
you may succeed with another blow.

Success is failure turned inside out,  
the silver tint of the clouds of doubt,  
and you never can tell how close you are,  
it may be near where it seems so far;  
so stick to the fight when you're hardest hit,  
it's when things seem worse,  
that you must not quit.

# Mrs. Lavallee

"Remember These Words . . ." by Nancye Sims

Don't let go of hope.  
Hope gives you the strength to keep going  
When you feel like giving up.  
Don't ever quit believing in yourself.  
As long as you believe you can,  
you will have a reason for trying,  
Don't let anyone hold  
your happiness in their hands;  
hold it in yours,  
so it will always be within your reach.  
Don't measure success or failure  
by material wealth but by how you feel;  
our feelings determine the richness of our lives  
Don't hesitate to reach out for help;  
we all need it from time to time.  
Don't run away from love but towards love,  
because it is our deepest joy.  
Don't wait for what you want to come to you;  
go after it with all that you are,  
knowing that life will meet you halfway.

Don't feel like you've lost  
when plans and dreams fall short of your hopes.  
Anytime you learn something new  
about yourself or about life  
you have progressed.  
Don't do anything that takes away  
from your self-respect;  
feeling good about yourself  
is essential to feeling good about life.  
Don't ever forget how to laugh  
or be too proud to cry  
It is by doing both that we live life to its fullest.

Mrs. Lavallee  
Guidance Counselor

# Russell Tornrose

We sat before you,  
listening to you talk  
of far away places,  
Macbeth and Gwenevere

Scared, perhaps,  
by your wild gestures,  
stern gaze,  
and determination to make us  
learn

We saw perfection,  
Round tables and Camelot.  
You saw the potential  
we still had yet to see.

Flocking to your room  
we found no question too  
obscure,  
no such thing as black and  
white.  
No matter how abstract, each  
one of us was heard.

You accepted who we were,  
letting us dream,  
and challenging us to learn.  
We knew if we tried  
we earned your respect.

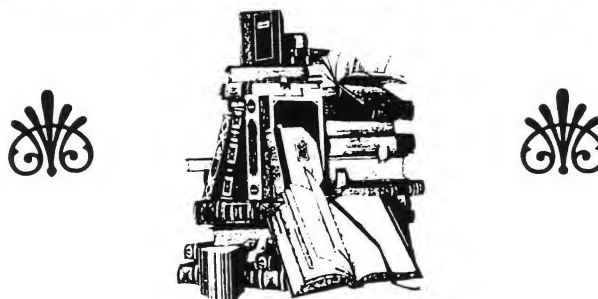

As track coach and mentor,  
you inspired us to do more.  
We struggled, then thrived  
knowing you were by our side.

We are left with a picture:  
A thoughtful man behind his  
desk

We are left with a vision:  
A world in need of our help

But as young as we were, we  
failed to see  
the most obvious piece of  
perfection sitting before us:  
A thoughtful man behind his  
desk.

Thank You Mr. Tornrose,  
The Senior Class

We the class of 1996 dedicate this yearbook to  
Miss Lord, Who has been a huge part of  
Telstar's history. She was a Business teacher  
here for 19 years. During these years she has  
been involved in such things as F.B.L.A.,  
Typist's "R" us and Graduation committee.

She is a caring and compassionate teacher who has always been there for her students. Until up  
to the end of her time here she was always cheery and upbeat. She could always put a smile on  
your face, even when giving those pesky speed goals.

The bonds of friendship between her and those closest to her will never be broken.

My four years are over and I'm glad because I don't have to come back. One of my best memories is when the ski team went to Fort Kent. While there when AN, JA, PG left and didn't get back until 1:30 am. That was the biggest reason our team didn't do good. Another memory is when JA flew into the half pipe at White Cap out freshmen year and got a mild concussion from the landing. All in all my four years here have been hard everything from names to attitudes have been thrown at me and made me a better person and a lonely one too.

## Clint Wakefield

Nicknames: Otisfeild, Otisworld, Otismobile, Otismobile Why do you take such a ferocious wheel. The tires they spin but the car doesn't move, The heater smells like a rat but that's kinda cool. She leans to the right just a little that's all, The hubcaps fly off whenever she stalls. I pull out of school ever so slow, But when I put the hammer down she really will go. When she hits them bumps she really does float, You might get sea sick if you ride in my boat. The rust doesn't shine and the speakers they wine, But that massive old rig, she stops on a dime. It gets me where I'm going most of the time, So keep your hands off because she's all mine.

# THANKS COACH APPLIN

This years season was marked by independent improving times. Becky Chandler was the team leader who kept our spirits high. Dawn Waisanen never gave up. Heidi Blake kept up the hustle and received the Hustle Award. Jason Billings really gave all he had and made it to the State Meet. Jerry Bernier helped out the boys team with his excellent running. The elusive Tim Nickerson was our comic relief runner and the unique style of Mark Tripp kept us intrigued. Dana Howe was exceptional in all he attempted. As our "winged" teammate, Shauna Walker flew through every challenge. Finding the path to the finish line, Martha Grover succeeded in accomplishing her goals. Mr. Applin, as "bright" as can be supported us continuously by running along side us during practice.

Good Luck to Jeff and the class  
of '96!

Voyager upon life's sea,  
To yourself be true;  
And where'er your lot may be,  
Paddle your own canoe.  
Never, though the winds may  
rave,  
Falter nor look back,  
But upon the darkest wave  
Leave a shining track.

Sarah K. Bolton

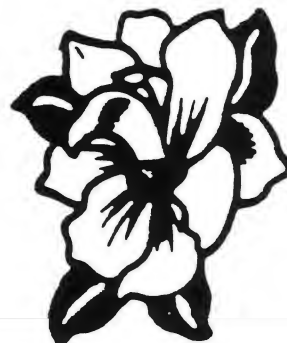

Congratulations Jeff! We are so  
proud of you.  
Love, Mom & Dad.

Lydia,  
May all your  
dreams  
come true.

## To Scott, from Mom "My Son Grows Up"

*My hands were busy through the day,  
I didn't have much time to play,  
the little games you asked me to.  
But when you'd bring your teddy bear  
and ask me please to share your fun,  
I'd say "A little later son."  
I'd tuck you in all safe at night,  
And hear your prayers, turn out the lights,  
then tiptoe softly to the door . . .  
I wish I'd stayed a minute more.  
For life is short — the years rush past . . .  
A little boy grows up so fast.  
No longer is he at your side,  
His precious secrets to confide.  
The teddy bears are put away,  
There are no longer games to play,  
No goodnight kiss, no prayers to hear . . .  
That all belongs to yesteryear.  
My hands once busy, now are still,  
The days are long and hard to fill.  
I wish I could go back and do  
The little things you asked me to.*

*Congratulations Scott. We've gone  
through many ups and downs, and struggles  
together. I know the "Real You", and I'm  
proud of you, and proud to call you "My  
Son". Keep reaching for what you want and  
what you're capable of, because you're a  
strong young man with many good qualities,  
and a loving heart, and you'll always be "My  
Little Boy", and I love you more than words  
could ever say. Congratulations, Best wishes  
and always, always, Lots and Lots of Love,  
Mom*
